

New Head of Sales at Menerga.

Wolfgang Schäfer is now responsible for German sales at Menerga.

Menerga's sales organization was reorganized at the beginning of the year and Wolfgang Schäfer has been responsible for sales in Germany since January 1, 2019.

Wolfgang Schäfer completed his studies at the University of Applied Sciences for Technology in Esslingen and graduated as a Dipl.-Ing. (FH) in Supply Engineering in 1986. For the next twelve years he worked as a project engineer in plant engineering and afterwards as a consultant in a planning office in Stuttgart until end of 2001.

Mr. Schäfer has been with Menerga since 2002.

Until 2015 he worked in the independent Menerga sales office in Baden-Württemberg and from then on at Menerga GmbH itself. In February 2017 he took over the position as Regional Manager for Southern Germany and is now responsible for all national sales as Head of Sales Germany.

About Menerga

Menerga develops and manufactures innovative ventilation and air conditioning technology for diverse fields of application. We can safely claim that our technology is leading in all areas, and that we set the bench mark for efficiency and effectiveness. Our philosophy, "Creating a good indoor climate – through **Minimal ENERGY Application**," is something at which we have succeeded every single day since the company was founded in 1980.

Menerga annual sales earned by the end of the most recent fiscal year were approx. €54 million, and the company employed around 410 employees in Germany and approx. 650 employees worldwide during this time.

Since 2013 Menerga has been part of the internationally successful Systemair Group, which is a leading company in ventilation and air conditioning technology.
